

Inter Institute Cultural and Management Fest

GL Bajaj Institute of Management and Research illuminated with talent and creativity as it hosted Sankalp 2023, a vibrant inter-institute cultural and management festival on April 1st, 2023. With 19 captivating events ranging from solo dance to online gaming, musical bands to rangoli competitions, the festival brought together 550 students from 45 colleges across the Delhi NCR region. As winners were crowned and awarded certificates and prizes, the event stood as a testament to the dedication of faculty coordinators Dr. Arvind Kr. Bhatt, Dr. Amit Kumar, Dr. Shuchita Singh, and Dr. Sunita Chowdhury, alongside student coordinators of PGDM Batch 2022-2024 – Rupam Vaishnavi, Priya, Yamini Bhadauriya, Avinash Singh, and K. Vinay, whose efforts ensured the resounding success of Sankalp 2023, igniting a spirit of camaraderie, creativity, and excellence that will resonate long into the future.

Sankalp 2023 showcased a kaleidoscope of events, each offering participants a platform to showcase their talents and passions. From the rhythmic movements of solo dance performances to the adrenaline-fueled battles of online gaming, from the harmonious melodies of musical bands to the intricate designs of rangoli competitions, the festival embraced diversity and creativity in all its forms. Participants, fueled by passion and determination, poured their hearts into each event, captivating audiences and judges alike with their skills and artistry.

Sankalp 2023 transcended the boundaries of a mere festival, emerging as a celebration of talent, passion, and community. From its diverse array of events to its vibrant participants and dedicated organizers, every aspect of the festival contributed to its resounding success. As we reflect on the memories made and lessons learned, we carry forward the spirit of Sankalp with us, fueling our dreams and aspirations with the same fervor and determination that defined this unforgettable event. As the sun sets on Sankalp 2023, we eagerly await the dawn of new beginnings, knowing that the journey ahead will be filled with endless possibilities and opportunities for growth.

Trends in Operations Management: Strategies for Innovation and Sustainability

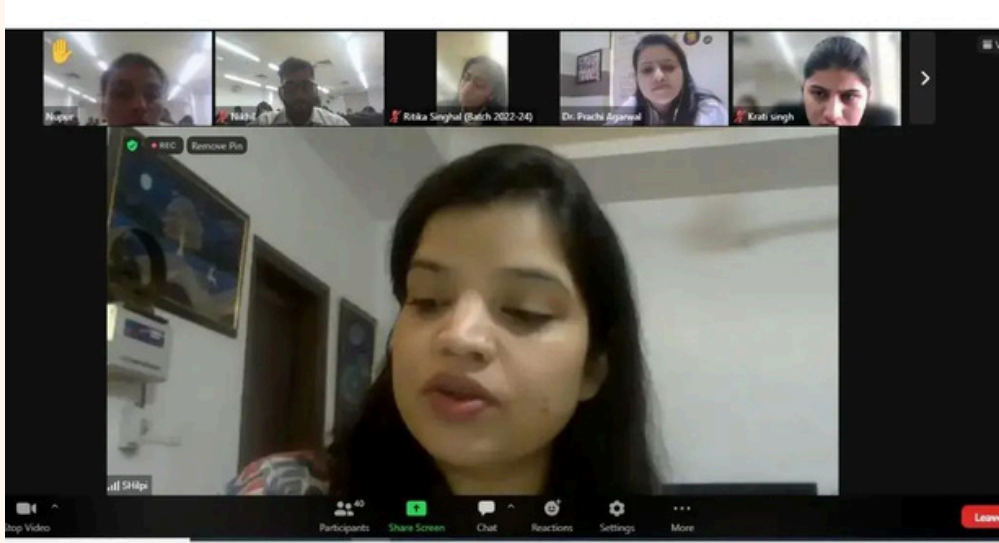

On April 8, 2023, GL Bajaj Institute of Management and Research (GLBIMR) hosted a riveting discussion on "Trends in Operations Management: Strategies for Innovation and Sustainability." This insightful session, tailored for PGDM (2022–24) students, featured Mr. Amit Pal, the esteemed Plant Head of Haier (Greater Noida). Mr. Pal shared invaluable insights into modern plant operations, supply chain management, and key industry terminologies, drawing from his extensive experience at Haier. He delved into the principles underpinning modern business operations and elucidated the steps necessary to effectively implement and achieve manufacturing objectives through a long-term strategic approach.

Mr. Pal's narrative not only elucidated the intricacies of operations management but also provided a firsthand account of his professional journey at Haier. His anecdotes and experiences offered students a unique perspective on navigating the dynamic landscape of the industry, emphasizing the importance of adaptability, resilience, and continuous learning in achieving organizational success.

The success of the event was made possible by the dedicated efforts of our esteemed faculty coordinators, Prof. Vikram Kumar Sharma, Dr. Arvind Bhatt, and Prof. Yagbala Kapil, whose expertise and guidance ensured the seamless execution of the discussion. Additionally, heartfelt appreciation goes out to the student coordinators of PGDM Batch 2022–2024 – Aquib Siddique, Priya, and Nancy, whose unwavering commitment and organizational prowess played a pivotal role in orchestrating the event's success.

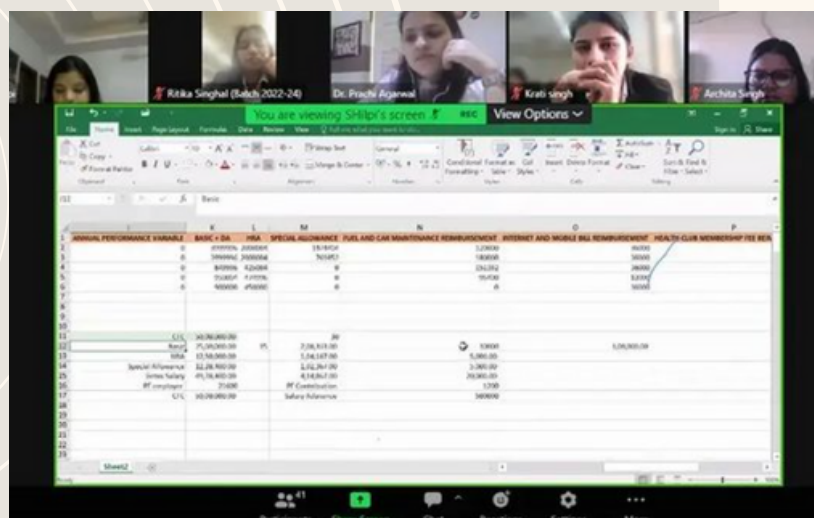

Experiential Session on Payroll Management

In a quest to empower our students with practical knowledge and insights, the GL Bajaj Institute of Management and Research (GLBIMR) recently organized an Expert Talk Webinar on "Experiential session on Payroll Management." Held on April 8, 2023, the session was a collaborative effort between our esteemed faculty and industry experts, aimed at enhancing the skill sets of the 2022–23 batch of students. Led by Ms. Shilpi Mishra, Lead-People Operations at Analog Legal Hub Technologies Solution Pvt. Ltd., the webinar delved into the intricacies of payroll management, offering invaluable insights into salary components, statutory compliances, and essential documentation required by the payroll department. Drawing from her extensive corporate experience, Ms. Shilpi provided real-world examples and scenarios, enriching the learning experience for our students. From compensation structuring to salary slip preparation, the session covered a wide array of topics, leaving participants equipped with practical knowledge and a deeper understanding of payroll processes in India.

The interactive nature of the webinar facilitated meaningful discussions and exchanges between the speaker and participants, fostering a dynamic learning environment. Students actively engaged with the content, gaining firsthand insights into the nuances of managing salaries and processing relevant forms and documentation. The session not only expanded their theoretical understanding but also provided valuable practical exposure, preparing them for the challenges of the corporate world.

The success of the webinar can be attributed to the meticulous planning and coordination of our faculty coordinator, Dr. Prachi Agarwal, whose expertise and dedication ensured the smooth execution of the event. Additionally, we extend our heartfelt appreciation to the student coordinators, Nikhil and Ananya Dwivedi, whose enthusiasm and commitment contributed significantly to the event's success.

Credit Appraisal Process Used by Banks

We are delighted to share the success of yet another enlightening event at the GL Bajaj Institute of Management and Research (GLBIMR). On April 10, 2023, we had the privilege of hosting an alumni talk on the "Credit Appraisal Process Used by Banks," featuring Mr. Ritesh Gupta, Area Sales Manager at Suryoday Small Finance Bank. The session was a testament to our commitment to providing our students with invaluable industry insights and practical knowledge.

Mr. Gupta's wealth of experience and expertise enriched the discussion, offering students a comprehensive understanding of the credit appraisal process.

One of the highlights of the workshop was Mr. Gupta's hands-on approach, as he guided students through the evaluation of dummy loan applications. This practical exercise not only deepened their understanding but also equipped them with essential skills for navigating the complexities of the banking sector.

The success of the alumni talk can be attributed to the collaborative efforts of our faculty coordinator, Dr. Nidhi Srivastava, and the dedicated student coordinators, Prabhat Shrutivani, and Saumya Pandey. Their unwavering commitment and meticulous planning ensured the seamless execution of the event, fostering an environment conducive to learning and growth.

Overall, the session proved to be highly informative and instrumental in enhancing students' comprehension of the credit appraisal process. Beyond imparting theoretical knowledge, it empowered students with practical skills and insights, equipping them for success in the dynamic world of banking and finance.

As we continue to strive for excellence in education and industry engagement, we look forward to more such enriching opportunities for our students. Stay tuned for upcoming events and initiatives as we journey towards academic and professional excellence together.

Operations Management in the Era of Disruptive Innovations

In a bid to foster knowledge exchange and industry insights, the GLBIMR PGDM Institute in Greater Noida recently hosted a thought-provoking seminar titled "Operations Management in the Era of Disruptive Innovations." The seminar featured distinguished speakers including Mr. Ramesh Aggarwal, CMD, and Mentor of Agarwal Packers and Movers Ltd., who shed light on the challenges and opportunities for innovation in the logistics industry. Additionally, Dr. Manoj Uniyal, Dy. General Manager of the Airports Authority of India, provided valuable insights into the Indian aviation industry, offering attendees a comprehensive understanding of the evolving landscape of operations management.

The seminar culminated in an engaging Q&A session, where students actively participated, posing insightful questions and engaging in stimulating discussions with the speakers. As a token of appreciation for their exemplary participation, students who showcased their talents in the Project Presentation Competition were felicitated by Mr. Aggarwal and Dr. Sapna at the conclusion of the event.

The seamless organization and execution of the seminar were made possible by the dedicated efforts of Prof. Vikram Kumar Sharma, Prof. Yagbala Kapil, and Dr. Arvind Bhatt, whose expertise and guidance ensured the success of the program. Special recognition is also due to the student coordinators, Arpit Tiwari, Priyanka, and Avinash Singh, whose meticulous planning and coordination played a pivotal role in the event's smooth operation.

As we continue to bridge the gap between academia and industry, we remain committed to providing our students with opportunities for holistic learning and professional development. Stay tuned for more enriching seminars and workshops as we strive to empower our students to become future leaders in their respective fields.

Emerging Trends of Programmatic Advertising in Digital Campaign Management

The Centre of Digital Marketing at GLBIMR and Research recently hosted an insightful workshop, delving into the dynamic realm of programmatic advertising. Geared towards students with a penchant for digital marketing careers, the event aimed to illuminate the latest trends shaping this burgeoning field.

Led by esteemed industry expert Mr. Amardeep Bajpai, CEO of Webisdom, the workshop provided attendees with a comprehensive overview of programmatic advertising. Mr. Bajpai's engaging presentation captivated the audience, offering valuable insights into emerging strategies.

Under the adept coordination of Dr. Sunita Choudhary and Dr. Surabhi Singh, the Centre's Area Chairs, the session seamlessly blended theoretical concepts with practical applications. Through interactive discussions and real-world examples, students gained a deeper understanding of the intricacies involved in executing successful programmatic advertising campaigns.

The workshop culminated in an atmosphere of enthusiasm and inspiration, as students eagerly absorbed the newfound knowledge and contemplated its implications for their future endeavors in the digital marketing landscape. Armed with valuable insights and practical skills, they are poised to navigate the ever-evolving realm of digital marketing with confidence and expertise.

Stay tuned for more enriching events and workshops from the Centre of Digital Marketing at GLBIMR, as we continue to empower the next generation of digital marketers with cutting-edge knowledge and industry insights.

The Future of Education in India at the CEGR Summit

GL Bajaj Institute of Management and Research (GLBIMR) proudly participated in the prestigious CEGR India Summit held on April 18, 2023, marking a significant milestone in our journey towards educational excellence. The summit served as a platform for luminaries from various sectors to share invaluable insights and chart the course for the future of education in India.

Under the inspiring theme of 'Vision 2047 in Education', the summit commenced with a sense of purpose and determination to address the challenges and opportunities shaping the educational landscape. Esteemed dignitaries, including Hon'ble Minister Shri Faggan Singh Kulaste and National Spokesperson Ms. Shazia Ilmi, graced the occasion with their profound wisdom and visionary perspectives.

Throughout the event, discussions spanned a wide array of topics, ranging from the practical implementation of the National Education Policy (NEP) to the integration of technology and skill development in education. These deliberations provided attendees with a holistic understanding of the evolving dynamics within the educational sphere and ignited a collective drive towards transformative change.

Dr. Anand Rai, Professor at GLBIMR, and Prof. Amrita Jain, Assistant Professor, along with other distinguished faculty members, represented our institution with utmost grace and professionalism, further solidifying our presence on the national stage.

As we reflect on our journey at the CEGR India Summit 2023, we are energized by the recognition bestowed upon us and reaffirm our dedication to shaping future leaders equipped to thrive in an ever-changing world. Together, let us continue to inspire, innovate, and lead the way towards a brighter future for education in India and beyond.

Risk Protection in Financial Planning Using Insurance Products

The GL Bajaj Institute of Management and Research (GLBIMR) continues to spearhead initiatives aimed at fostering holistic growth and development among its stakeholders. On April 19, 2023, under the esteemed guidance of Dr. Sapna Rakesh, Director of GLBIMR, Greater Noida, an enriching session titled "Risk Protection in Financial Planning using Insurance Products" unfolded, captivating participants with its invaluable insights.

Mr. Vinay Sharma, Co-founder of VFinServe, graced the occasion as the program's resource person, leveraging his profound expertise to illuminate the intricate realm of financial planning and risk mitigation through insurance products.

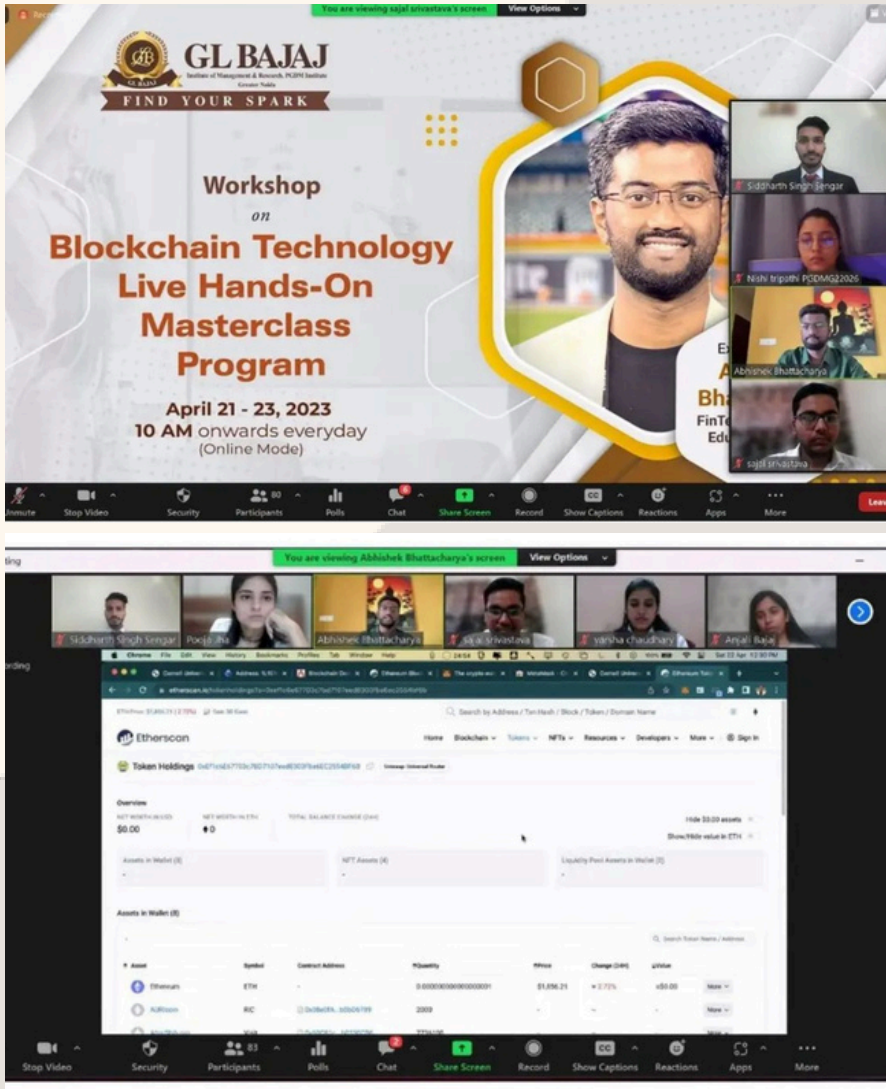

Through real-world examples and practical demonstrations, participants gained a comprehensive understanding of the role insurance plays in safeguarding financial interests and spreading risk effectively.

The session, meticulously curated to enhance financial acumen, delved into various facets of insurance products, elucidating key concepts and strategies for informed decision-making. Emphasizing the importance of meticulous financial planning, attendees learned how to navigate the complexities of insurance plans, deciphering essential terms and exploring crucial riders in health insurance.

As the session drew to a close, a sense of accomplishment pervaded the atmosphere as certificates were bestowed upon the 30 participants, comprising academicians and research scholars, acknowledging their dedication to learning and growth. The success of the program stands as a testament to GLBIMR's unwavering commitment to nurturing excellence and innovation in the realm of financial education.

1 April-30 June 2023

Blockchain Technology Live Hands-On Masterclass Program

In a bid to equip students with cutting-edge skills and insights into the rapidly evolving landscape of financial technology, GL Bajaj Institute of Management and Research (GLBIMR) recently hosted an immersive online "Blockchain Technology Live Hands-On Masterclass Program." The event, held under the prestigious UNDP-Ethereum Foundation THINC Fellowship, marked a significant milestone in fostering innovation and excellence in the realm of blockchain technology.

Facilitated by Mr. Abhishek Bhattacharya, a distinguished FinTech Entrepreneur and Forbes 30 under 30 awardee, the masterclass provided participants with a comprehensive understanding of both fundamental principles and advanced concepts in FinTech and Blockchain Technology.

From exploring consensus mechanisms and cryptography to delving into the intricacies of NFTs, cryptocurrency, and leading use cases, students were immersed in a dynamic learning experience aimed at deepening their expertise in this transformative field.

Over the course of three days, participants engaged in hands-on activities and interactive sessions, guided by Mr. Bhattacharya's expertise and insights. The culmination of the workshop featured an online examination and a stimulating Q&A session, offering students the opportunity to showcase their newfound knowledge and receive certificates of completion under the expert supervision of Mr. Bhattacharya.

The success of the masterclass was made possible through the visionary leadership of Dr. Nidhi Srivastava, whose insightful ideas and strategic planning paved the way for this transformative learning experience. The invaluable contributions of student coordinators Pooja Jha and Anjali Bajaj further enriched the program, ensuring its seamless execution and maximum impact.

India International Education Expo 2023

GL Bajaj Educational Institutions proudly showcased their excellence and innovation at the prestigious India International Education Expo 2023 (IIEE 2023), reaffirming their commitment to transformative education on a global platform.

Over the course of three dynamic days, the expo served as a melting pot of educational insights and innovations, drawing students from across the nation to explore the myriad opportunities offered by GL Bajaj programs. The exhibition hall buzzed with excitement as visitors immersed themselves in glimpses of GL Bajaj's illustrious programs, celebrated the successes of GLBians, and marveled at captivating capstone projects undertaken by students.

A highlight of the event was the showcase of robots and robotic kits crafted by talented children, captivating the imagination of attendees and underscoring GL Bajaj's dedication to nurturing creativity and technological prowess among its students. The interactive displays served as a testament to the institution's commitment to fostering innovation and hands-on learning experiences.

The presence of esteemed dignitary Dr. Mahesh Sharma, Member of Parliament from Gautam Buddh Nagar, added to the event's prestige as he visited the GL Bajaj booth and commended the organization for its multifaceted contributions to the field of education. His words of encouragement further fueled the institution's determination to excel in its mission of academic excellence and societal impact.

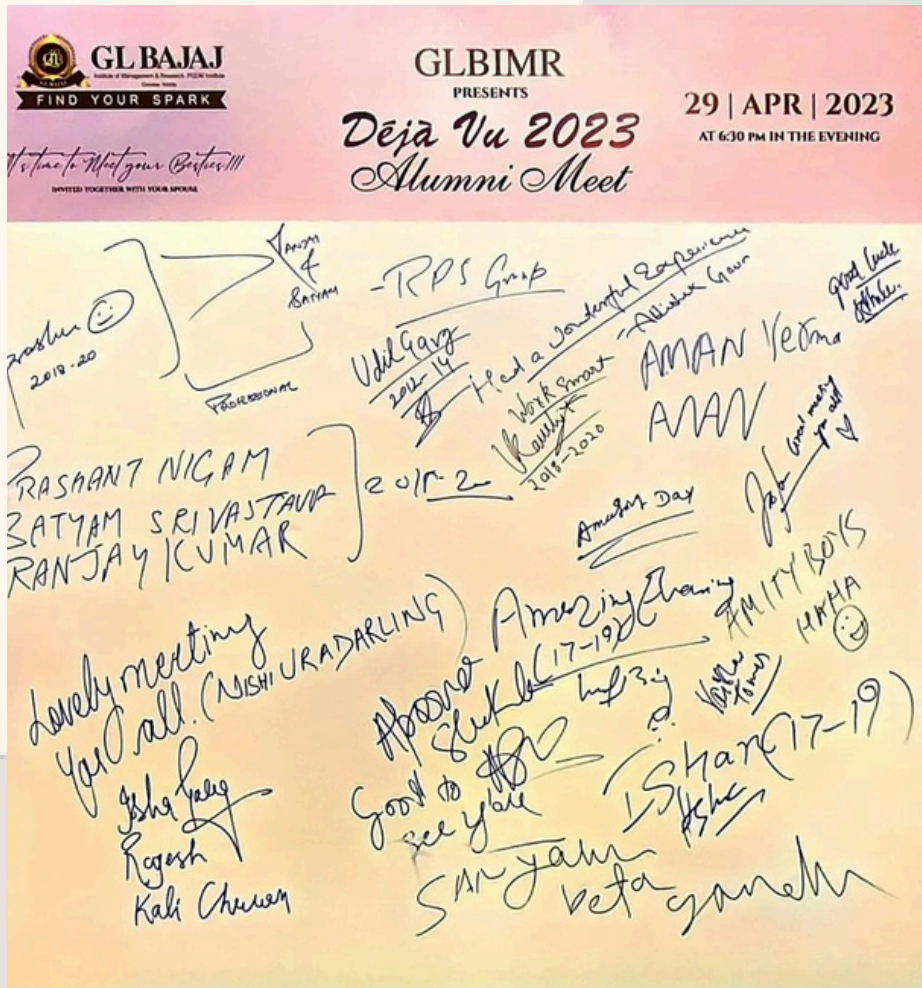

For GLBIMR, participation in Education Week proved to be a momentous occasion, marked by three days of high activity and fruitful engagements with prospective students and guests. The enthusiastic representation of GLBIMR by students Aquib Siddiquee, Krati, Arpit Tiwari, Himanshu Tiwari, and Akash underscored the institution's vibrant community spirit and commitment to nurturing future leaders.

Deja' Vu-2k2 at Habitat World, New Delhi

GL Bajaj's Alumni Meet, Deja' Vu-2k23, proved to be a magical evening of rekindling old memories and forging new connections as over 150 alumni from across batches gathered at Habitat World, New Delhi, for a night of nostalgia and fun.

The event kicked off with a mesmerizing performance by Mr. Ritwik, setting the stage for an unforgettable reunion. ARC and CRC Members of GLBIMR, in collaboration with faculty coordinators Dr. Arpita Srivastava, Dr. Shuchita Singh, and Dr. Prachi Agarwal, poured their hearts out to warmly welcome back the alumni, orchestrating a series of engaging activities, fun games, and captivating music and dance performances.

As laughter filled the air and old friendships were reignited, attendees were transported back in time to their days at GL Bajaj, reminiscing about shared experiences and cherished moments. From heartfelt conversations to joyful laughter, the evening was a celebration of the enduring bonds forged within the GLBIMR community.

The event concluded on a high note, with memories to treasure and new dreams to blossom. As alumni bid farewell, there was a sense of gratitude for the opportunity to reconnect and a renewed commitment to staying connected and supporting one another on their respective journeys.

Deja' Vu-2k23 served as a poignant reminder of the lasting impact of the GL Bajaj experience and the enduring bonds that unite alumni across generations. As we look towards the future, we carry with us the memories of this special evening, fueling our collective aspirations and endeavors.

Here's to the timeless bonds of friendship and camaraderie forged at GL Bajaj, and to many more reunions filled with joy, laughter, and cherished memories.

Emerging Trends in Sales Management, With an Emphasis on Sales Strategies in the Virtual and Digital Environment

GL Bajaj Institute of Management and Research (GLBIMR) continued its tradition of fostering industry-relevant knowledge and insights through an engaging Expert Talk and Open House Session with Mr. Gaurav Singhal, Digital Coach at Blue Digital Media Pvt. Ltd., Noida, on April 29, 2023. The session centered on "Emerging Trends in Sales Management," with a special focus on Sales Strategies in the Virtual and Digital Environment. Mr. Singhal's expertise shed light on the evolving landscape of sales management, emphasizing the pivotal role of sales analytics and artificial intelligence in deciphering customer behavior trends.

Throughout the session, students actively engaged with Mr. Singhal, posing thoughtful questions and delving into various employment prospects and responsibilities within the realm of sales and marketing. The participatory nature of the open house session facilitated meaningful discussions and provided students with a comprehensive understanding of the transformative shifts occurring in Sales and Marketing domains.

The success of the event can be attributed to the diligent efforts of faculty coordinators Prof. Atul Arora and Dr. Amit Kumar, whose guidance ensured seamless execution and maximum impact. Additionally, the invaluable contributions of student coordinators from the PGDM Batch 2022-2024, including Aquib Siddique, Lesan Zaidi, Animesh Srivastava, and Drishti Singh, played a pivotal role in organizing and facilitating the event.

May 1, 2023 | Farewell | Batch 2021-2023

On May 1, 2023, GL Bajaj Institute of Management and Research bid adieu to the graduating batch of 2021-2023 in a spectacular farewell event, orchestrated under the guidance of our esteemed Director, Dr. Sapna Rakesh. The evening was a tapestry of emotions, laughter, and inspiration as we celebrated the achievements of our departing students and wished them success in their future endeavors. The event commenced with a soulful Ganesh Vandana prayer, setting the tone for the evening's festivities. What followed was a dazzling array of performances, masterfully presented by the juniors of batch 2022-2024.

Dr. Sapna Rakesh graced the occasion with her presence and delivered a heartfelt address to the graduating class, sharing her wisdom and fond memories. Her words of encouragement and blessings resonated deeply, inspiring our students to strive for greatness in their future pursuits. A highlight of the evening was the captivating fashion show featuring the graduating students, which left an indelible mark on everyone present. It was a moment of pride and nostalgia as we witnessed our students grace the stage, poised to embark on their new journey.

This remarkable event wouldn't have been possible without the dedication and hard work of our faculty coordinators, Dr. Sunita Chowdhury and Dr. Arvind Bhatt, along with the dynamic student coordinators of PGDM Batch 2022-2024 – Priya Singh, Rupam, Yamini, and Hitendra Singh Jadon.

MAY 3, 2023 | Gender Sensitization: Issues and Challenges

In an enlightening session at GL Bajaj Institute of Management and Research (GLBIMR), DSP Sheela Chaudhary from the Bureau of Police Research and Development (BPR&D) shared her expertise on gender sensitization. Drawing from her extensive experience combating human trafficking and addressing women's criminality, DSP Sheela Chaudhary provided invaluable insights that underscored the urgency of addressing gender discrimination. The discussion was marked by a series of poignant moments as DSP Sheela Chaudhary delved into the grim realities of gender-based violence and discrimination. Her firsthand encounters shed light on the pervasive societal ills that continue to afflict communities worldwide.

One of the central themes of the discussion was the necessity of government intervention in combating crimes against individuals of any gender. DSP Sheela Chaudhary elucidated various initiatives undertaken by authorities to curb gender-based violence and ensure justice for victims. Her insights served as a rallying cry for collective action, urging participants to actively engage in the fight for gender equality. Throughout the session, DSP Sheela Chaudhary's impassioned plea resonated with attendees, igniting a renewed sense of purpose and commitment to effecting positive change. The discussion served as a catalyst for introspection, prompting participants to confront their own biases and assumptions about gender roles and stereotypes. The program was expertly managed by student coordinators Lesan Zaidi and Shradha Rawat, whose meticulous planning and execution ensured a seamless experience for all involved. Their dedication and leadership were instrumental in fostering an environment conducive to open dialogue and meaningful engagement. As we reflect on the insights shared during this enlightening session, let us heed DSP Sheela Chaudhary's call to action and work tirelessly towards gender equality.

MAY 14, 2023 | Alumni Talk | How to Convert Your SIP into PPO

GL Bajaj Institute of Management and Research (GLBIMR) hosted an enriching alumni discussion titled "How to Convert Your SIP into a PPO by Project Sahyog," shedding light on the transition from summer internships to pre-placement offers (PPOs). The event provided a platform for students to glean insights from esteemed alumni and industry experts, fostering a dialogue on navigating the corporate landscape.

One of the focal points of the discussion centered around the corporate world of ETL (Extract, Transform, Load) and its intersection with academic learning. Participants delved into the nuances of ETL processes, exploring how classroom concepts translate into real-world applications within the corporate realm. Through lively exchanges and case studies, students gained a deeper understanding of how their academic foundation aligns with industry practices.

A highlight of the event was the invaluable financial knowledge imparted by special guest lecturer, Abhiraj Singh. With expertise spanning investment banking, asset management companies (AMCs), accounting, and insurance, Mr. Singh demystified complex financial terminology, empowering students to make informed decisions about their career paths. His practical insights provided a roadmap for navigating the intricacies of the finance sector, equipping students with essential tools for success. The interactive nature of the discussion facilitated engaging dialogues between students and alumni, creating a conducive environment for problem-solving and knowledge-sharing. Through mentorship and peer collaboration, participants received guidance on overcoming challenges and seizing opportunities across various disciplines, enriching their educational journey.

A Visit to village Harnauti | Sustainability Cell | GLBIMR

On World Environment Day, the Center of Sustainability at GL Bajaj Institute of Management & Research (GLBIMR) embarked on a meaningful journey to Village-Harnauti in Greater Noida. Led by faculty members Dr. Nidhi Srivastav, Dr. Shuchita Singh, and Dr. Swati Priya, the team aimed to promote sustainable practices and assist the village in achieving its environmental goals.

During the visit, the GLBIMR team convened with village leaders to discuss the paramount importance of education, clean water, and clean energy for the village's sustainable development. Emphasizing the role of education in fostering environmental awareness, the team engaged in insightful conversations on how education can empower communities to protect the environment and enact positive change.

As a token of appreciation and a symbol of growth, saplings were gifted to the village, reinforcing the commitment to sustainability. Additionally, the team organized a fruit tree plantation drive at the village school, interacting with retired school masters and fostering a sense of community involvement in environmental conservation efforts.

This initiative reflects GLBIMR's unwavering commitment to sustainability, recognizing education, clean water, and clean energy as fundamental pillars of sustainable development. By promoting sustainable practices in Village-Harnauti, the institute aims to support the village in achieving its environmental objectives and enhancing the quality of life for its residents. Through collaborative efforts and community engagement, GLBIMR continues to champion sustainability initiatives, paving the way for a greener, more resilient future for generations to come.

Regenerative Finance (ReFi): A Path to Sustainable Prosperity

Regenerative Finance (ReFi) is a progressive approach to financial management that prioritizes sustainability, social impact, and long-term value creation. Unlike traditional finance, which often focuses solely on maximizing profits, ReFi seeks to align financial investments with regenerative practices that benefit both society and the environment. By integrating principles of environmental stewardship, social equity, and community well-being into investment decisions, ReFi aims to drive positive change and create a more resilient and inclusive economy.

One of the key principles of Regenerative Finance is the emphasis on investing in projects and businesses that promote regenerative practices and contribute to the well-being of communities. This can include supporting initiatives such as renewable energy projects, regenerative agriculture practices, affordable housing developments, and social enterprises that prioritize environmental and social impact alongside financial returns. By directing capital towards regenerative activities, ReFi aims to foster sustainable growth, address social inequalities, and mitigate the negative impacts of traditional finance on the planet and its inhabitants.

Moreover, Regenerative Finance encourages collaboration, transparency, and accountability among investors, businesses, and communities to ensure that financial resources are allocated responsibly and ethically. By engaging stakeholders in decision-making processes, promoting impact measurement and reporting, and fostering a culture of shared values and goals, ReFi aims to build trust and strengthen relationships within the financial ecosystem. Ultimately, Regenerative Finance offers a holistic and forward-thinking approach to finance that seeks to create a more sustainable, equitable, and resilient future for all stakeholders involved.
